### THIS IS APPLE SUNDAY!

#### Formation this Sunday, October 8 at 9

**am** will be an intergenerational Formation. In this creation season, we are highlighting **Earth Love**. Dale Penrose will harvest the remaining apples at the orchard on Saturday and sort them between "eaters" and "cider".

On Sunday morning we will share information with you about the apple orchard that is on the eastern edge of our property. The presentation will include tasting fresh apple cider from the cider press. Kids will love to see how that happens! Fresh cider is the best!

# HISPANIC HERITAGE SUNDAY!

In recognition of Hispanic Heritage month in the bulletin (at the 10 am service) you will notice Spanish translations next to English in some of the music and prayers. We will do something similar next Sunday, October 15.

Valori† is the Diocesan Missioner for Hispanic/Latinx Ministry Engagement. Representatives from the Diocese of Puerto Rico visited St. Louis next week and Valori† and others from the Diocese of Missouri will visit Puerto Rico later in October.

### Women of Emmanuel

#### UPDATE!

Hey ladies!

I wanted to give you some feedback from our time together last month and let you know about plans for the months to come.

You all had SO many terrific ideas for coming together and giving us the chance to know each other better: walking groups, garden tours, movie/game nights, karaoke, brewery or cemetery tours, book club, small group discussions, an overnight retreat, service opportunities and bunco or craft nights... all great ideas.

As we acknowledged on the evening we met for dinner, no one activity or date selected for any of them is going to work for everybody; we are NOT one size fits all. We will learn what works best in the trying.

I had the chance to meet with staff and clergy earlier this week and we have some dates on the calendar! Every other month - turns out to be the 'odd' months: Nov, January, March, May - we will meet at church. The 'names' for our nights out might change but reserve

- Saturday, November 11th, 5-7pm
- Sunday, January 14th, 4-6pm
- Thursday, March 14th 6-8pm

On Saturday, November 11th, we'll meet for a simple soup supper and conversation, similar to our evening together in September. It will be a chance to take a breath and just 'be' with each other before the madness of Thanksgiving and the impending holiday season. **"Just Us, Just Because"**.

Sunday, January 14th, we'll have a **"Window Glow Happy Hour"**; complete with happy hour beverages and appetizers while we learn about our see our beautiful stained glass windows and hear some history behind them.

Thursday, March 14th, we'll have an early **"St Patrick's Day Bunco night"**. Wear your green and test your luck of the Irish! Never played before? Don't worry; we'll teach you. It's basically rolling dice... easy peasy.

Those are the *planned* events so far, but, as Ann Marie graciously demonstrated by opening up her garden for a sisterhood tour, if you want to spontaneously plan any kind of event (I know it seems like a contradiction in terms) - going to the movies, walking in Blackburn park etc., please know you can contact either **Mimi** or **Katie** and they can help both get the word out and give advice on any obstacles that may exist on the calendar.

If you're moved to help with any event planned already - or if you want help planning an event of your own, let me know. I'd be happy to brainstorm with you.

**Let's keep the energy going; we are better together!**

*Did You Know?* 

Emmanuel's Food Center can ALWAYS use beans, any kind, just *beans, beans, beans!*

They ALWAYS need cans of *vegetable soup!*

And they can ALWAYS use *donations!*

You can ALWAYS drop off food donations, place in the wicker basket!

Use the QR Code to donate to Special Gifts, Food Center

The food center would like you to know that the top two food items they always need are **BEANS and VEGETABLE SOUP**. Grab a couple cans and bring to church! ANY beans work. Additionally, donations are ALWAYS needed. Use the QR code above to access our giving page. Select Special Gifts then Food Center and give away!

**On Tuesday, October 24 6:30-8:00 pm** at Old Community Baptist Church there will be a meeting on Housing. For those looking for a way to engage in Justice & Equity this is a good entry to that work.

At the meeting they will touch on how race has impacted housing in Webster Groves. And the Peace UCC Senior Housing project will be presented. That project is unique and is worth anyone listening to how it will benefit the community.

## IN THE DIOCESE

### JUSTFOOD TRUCK

The Jubilee Ministry of the Episcopal Diocese of Missouri is launching a food truck this month. The **JustFood** truck goes into areas of high food insecurity to offer meals to those who are hungry. Beginning the week of Oct. 22, there will be three 2-hour stops each week in North City, South City and Downtown.

Starting in November the **JustFood** will visit parishes throughout the diocese as a way to tell the story of food injustices in every area of our diocese, urban,

suburban, and rural. The truck will visit Emmanuel on Sunday, November 19 after the 10 am service. More details coming!
