Keynote speakers for this year's conference include:

- Keynote speaker Senator Barbara Boxer is a national leader on environmental protection who gave 10 years of service in the House of Representatives and became a US Senator in 1993. After four terms as a California senator, she stepped down in 2017 and continues to advocate for environmental justice
- Christiana Z. Peppard, Ph.D., is an expert on the ethics of fresh water and problems of climate change, social justice, and sustainability; a public intellectual; and a public/social media educator.
- Winston Halapua is the Archbishop and Primate of the Diocese of Polynesia and Aotearoa New Zealand, responsible for a number of New Zealand-based Samoan, Tongan, Indo-Fijian, and Fijian congregations.
- Thabo Makgoba is the Archbishop of Cape Town, South Africa. He has served as the chair of the Anglican Communion Environmental Network, and in that role convened a global gathering of bishops in 2015.
- Katharine Hayhoe, Ph.D. is a climate scientist and director of the Climate Science Center at Texas Tech University, part of the Department of Interior's South-Central Climate Science Center.
- Maude Barlow is a political activist, author, policy critic, and a former United Nations Senior Advisor on Water. She also chairs the board of Washington-based Food and Water Watch and is a Councillor with the Hamburg-based World Future Council.
- David Toomey, Ph.D. is an economist and Episcopal priest whose work has spanned Anglican Church and secular international development. A specialist in Value-for-Money metrics, he evaluates the drivers of international development projects to determine the most effective and impactful implementation strategies
- Kim Stanley Robinson is a *New York Times* bestseller and winner of the Hugo, Nebula, and Locus awards. He is the author of more than twenty books, including the bestselling Mars trilogy and the critically acclaimed *Forty Signs of Rain*, *The Years of Rice and Salt*, and *2312*
- Catherine McVay Hughes is the former Manhattan Community Board 1 Chair and has served on CB1 for two decades rebuilding Lower Manhattan after 9/11 and Superstorm Sandy.
- William B. Golden is the co-founder and Executive Director of the National Institute for Coastal and Harbor Infrastructure (NICHUSA.org), a 501 c3 nonprofit focused on rising sea levels, extreme storms and aging infrastructure.
- Siobhan Collins is a Manager on the Water Program at Ceres, a national nonprofit helping institutional investors integrate sustainability into the capital markets.
